The Banks Association of Turkey Risk Center

(1) This table includes data about loans extended from leasing companies to real person/legal entity who has a Turkish identification number/tax identification number, and non-performing loans equal to or above 20 TL. This table does not include the loans and funds that are not reported as real person/legal entity basis and non-performing loans less than 20 TL.

(2) Gross Loans = Cash Loans + Non-Performing Loans

(3) Cash loans and non-performing loans show temporary figures collected from leasing companies according to the Supplementary Article No. 1 of Banking Law No. 5411. "Cash Loans" include interest rediscounts and accruals. Financial institutions whose operating licenses have been revoked continue to report their loans and receivables to The Banks Association of Turkey Risk Center, so they are included in the report.
