The Banks Association of Turkey Risk Center

(1) This table includes data about a) loans and funds extended from "the banks in Turkey" or "the branches of Turkish banks abroad" to real person/legal entity who has a Turkish identification number/tax identification number, and b) non-performing loans equal to or above 20 TL. This table does not include a) the loans and funds that are not reported as real person/legal entity basis, b) non-performing loans less than 20 TL, c) the loans extended from a foreign bank (via the branches of domestic banks) to a real person/legal entity who has a Turkish identification number/tax identification number.

(2) Gross Loans = Cash Loans + Non-Performing Loans

(3) Cash loans and non-performing loans show temporary figures collected from banks according to the Supplementary Article No.1 of Banking Law No. 5411. "Cash Loans" include interest rediscounts and accruals. Banks whose operating licenses have been revoked continue to report their loans and receivables to The Banks Association of Turkey Risk Center, so they are included in the report.
