The province of the "Legislative Authority" that makes the announcement is shown in the table.

(3) This figure includes legislative decisions that the province information is uncertain.

The difference is due to the fact that "a person" can be counted more than once in different months, but "only once" in the row and column totals. The total of the Regions is not equal to the total of the Provinces. The difference is due to the fact that "a person" can be counted more than once in different regions but "only once" in the provinces totals.

In general, the figures in the table can be updated according to the judicial authorities.
