The Banks Association of Turkey Risk Center

(1) The classification of "Statistical Regional Units", which is defined with the Decree No.2002/4720 of Council of Ministers and published in the Official Gazette dated September 22, 2002 and No.24884 is used in this table.

(2) Notifications of branches abroad and Turkish Republic of Northern Cyprus.

(3) The total of the months is not equal to the row and column total of the table. The difference is due to the fact that "a person" can be counted more than once in different months, but "only once" in the row and column totals. In general, the figures in the table can be updated according to the notification of members.
