The Banks Association of Turkey Risk Center

(1) The unique number of natural person drawer of prohibited checks (open a check account or write a check) announced officially -either by letter or electronic environment- from the legislative authorities to the banks via The Banks Association of Turkey Risk Center.

(2) The classification of "Statistical Regional Units", which is defined with the Decree No.2002/4720 of Council of Ministers and published in the Official Gazette dated September 22, 2002 and No.24884 is used in this table. The province of the "Legislative Authority" that makes the announcement is shown in the table.

(3) This figure includes legislative decisions that the province information is uncertain.

(4) The total of the months is not equal to the row and column total of the table. The difference is due to the fact that "a person" can be counted more than once in different months, but "only once" in the row and column totals. The total of the Regions is not equal to the total of the Provinces. The difference is due to the fact that "a person" can be counted more than once in different regions but "only once" in the provinces totals.

In general, the figures in the table can be updated according to the judicial authorities.
